STATEMENT:

I'm not going to stand on a platform of blowing my own horn or on credentialism, chest beating, or personality. But, I will take a stand on the issues, and that's what matters, because no one else will.

I'm an ordinary working person much like yourself. I have come to understand that the structure of government is no longer for people like you and me; but is a self-serving, self-sustaining, self-replicating, all-consuming and defecating bureaucracy that is designed to serve the needs of the bureaucrats and not us, be it simply to line their own pockets, or to install their own pet social engineering programs for us to live by. It's time to turn that around now!

You can start by making your vote count; not by supporting someone who is against what you want, but by supporting someone who is for what you want. By voting for a lesser of two evils, you only perpetuate an already corrupt system by giving it your support. The so-called two-party system is evil by its very nature, because it has become one party with two names, and is monopolistic; the difference being that this monopoly has armed enforcement agencies to make you live the way they want. Republicans govern like socialists. Democrats govern like communists.

It's time for a change. It's time to tell the bureaucrats to take a hike. It's time to take the future into your own hands. It's time for us all to reclaim ownership of our own lives.

STATEMENT:

These are issues that I will support as Lieutenant Governor:

Solving the Budget Crisis

- ¥ Enact a constitutional amendment that would prevent a state income tax and state sales tax from being enacted.
- ¥ Enact a constitutional amendment requiring all revenue bills to pass both the senate and the house of representatives with a super majority or a majority vote of the citizens.
- ¥ Shorten the legislative sessions to 60 days.
- ¥ Pass biannual budgets. Those years when the budget is being appropriated the legislature may pass no new bills but may only repeal laws.
- ¥ End government subsidies for all businesses.
- ¥ Privatize government-owned businesses.
- ¥ In lieu of a state income tax or sales tax, we should:

Sell much of the 106,000,000 acres of Alaska land owned by the State of Alaska to Alaska citizens. The proceeds of these sales would be used to pay for the cost of government.

Allow video gaming.

Decriminalize marijuana subject to local option. It should be taxed and regulated similar to alcohol, tobacco, and coffee.

Election Reform

- ¥ Allow citizens to vote and sign petitions using the internet.
- ¥ Eliminate closed publicly funded primary elections. Political parties that wish to nominate by primary should pay for the cost of the election.
- ¥ Prevent the initiative, referendum, and recall process from being further eroded. The people's right to petition the government must be protected.
