[408 Respondents] 47 (SPLIT A) (OUTSOURCING) My passion is "made in America," working to support small businesses, American companies and new American industries. (REPUBLICAN HOUSE CANDIDATE) has pledged to support the free trade agreements with Colombia, Panama, and South Korea and protect the loophole for companies outsourcing American jobs. I have a different approach to give tax breaks for small businesses that hire workers and give tax subsidies for companies that create jobs right here in America.	22	24	11	22	18	1	3	**45**	**56**
[408 Respondents] 48 (SPLIT A) (REFORM/MIDDLE CLASS) We have to change Washington. That means eliminating the special deals and tax breaks won by corporate lobbyists for the oil companies and Wall Street. (REPUBLICAN HOUSE CANDIDATE) has pledged to protect the tax cuts for the top two percent and the big tax breaks for companies who export American jobs. I'll take a different approach with new middle class tax cuts to help small businesses and new American industries create jobs. [408 Respondents] 50 (SPLIT B) (FORWARD/BACK) My priority is to cut middle class taxes, extend unemployment and health insurance for the unemployed, support new industries that create jobs and end tax breaks for exporting jobs. The economy shows signs of improving. But (REPUBLICAN HOUSE CANDIDATE) wants to go back to the Bush policies that crushed the middle class. They want to give tax breaks to the wealthy and big corporations. [408 Respondents] 51 (SPLIT B) (HEALTH CARE) President Obama and (DEMOCRATIC HOUSE CANDIDATE) promised lower health care costs, but did not deliver. Their plan will explode our deficit by one trillion dollars, raise taxes when people are struggling, and take away the health care choices we should be able to make. I will fight to repeal and replace these policies with common sense solutions like expanding health savings accounts and having the ability to purchase health insurance across state lines, which will lower costs for working families.	33	14	9	18	21	1	3	**47**	**56**
[408 Respondents] 52 (SPLIT A) (BIG GOV) (DEMOCRATIC HOUSE CANDIDATE) has backed Nancy Pelosi's out-of-control spending ways. They've spent trillions on a failed economic recovery, resulting in government takeovers of banks, car companies, and health care. Thousands of small businesses will face crippling tax hikes. I'll work in Congress to return to common sense policies like decreasing costly government regulation, cutting taxes for small businesses and the middle class, and providing incentives to encourage businesses to create jobs in America to get our economy going again.......................	29	20	9	17	22	1	2	**49**	**58**

[408 Respondents] 53 (SPLIT A) (TAX CUTS/SPECIAL INTERESTS) (REPUBLICAN HOUSE CANDIDATE) is a strong supporter of Sarah Palin's agenda for Washington, and with the support of President Bush's top operatives, (he/she) is doing everything possible to obstruct President Obama's efforts and tie Congress up in knots. We need a Congressman who listens to people here, not Glenn Beck, and tries to get our economy moving.	16	25	17	40	3	**41**	**57**
[408 Respondents] 54 (SPLIT B) (DEFICIT) (REPUBLICAN HOUSE CANDIDATE) believes in trickle-down economics and is increasing the deficit by 700 billion dollars with borrowed money from the Chinese in order to keep his pledge to cut taxes for the richest two percent; five billion dollars in breaks for Goldman Sachs and AIG and for companies exporting American jobs. Medicare as we know it will end, as seniors will have to purchase private insurance using a voucher that will cover some of the costs.	22	27	15	31	6	**49**	**45**
[408 Respondents] 57 (SPLIT A) (BACK TO BUSH) (REPUBLICAN HOUSE CANDIDATE) will force us to go back to the same policies of George W. Bush that drove our economy into the ditch. [408 Respondents] 58 (SPLIT B) (TRADE) (REPUBLICAN HOUSE CANDIDATE) has pledged to pass as soon as possible free trade agreements with Colombia, Panama and South Korea that are key to the official Republican economic plan.
