Mike Gagne is running for U.S. Representative District II to carry forward the legacy of Representative Patsy Mink whose vision and determination have left an indelible mark on Hawaii and the nation.

Mike's accomplishments in 16 years of community service include a dedication to education which includes serving for 6 years on the SCBM Board at Haiku Elementary School, one as facilitator, and digging trenches for technology. He serves on the Hawaii School Inspection team and is an active school volunteer.

Additionally, Mike has been an active board member and President of the Haiku Community Association, Community Policing Board and co-founder of The Haiku Flowerfest. He worked to get a new Community Center built which included an attached Youth Center. With the rapid growth of Maui he has helped the community face issues of development pressure and quality of life. Under his watch, Maui and Hawaii saw its first Street Lighting Ordinance to preserve the evening sky as well as new rules to control cesspool runoff into the ocean from shoreline development.

He served on the Carpenter's Union #745 bylaws review and appreciates the needs of working families in the State of Hawaii. He was on The Sate Highway Review Board for Maui and testified to numerous groups and public commissions

Mike and Pat Gagne, married in 1976, have lived on Maui for twenty-four years and have a daughter, Claire, who attends Yale University.
