I am your candidate for the U.S. Congress for the following reasons. 1) I am sensitive to the special needs of our unique state, its various cultures and heritages. However, I am convinced that all of us here in Hawaii are fortunate to be Americans. 2) I am experienced in both Hawaii and mainland ways – especially those of Washington DC where I worked for most of my twenty-six years of active-duty service in the U.S. Army as a scientist and periodontist.

If elected, I promise to be honest with you and your tax dollars. I promise never to be held hostage to a political party or campaign contributors. I promise that I will uphold the stellar reputation for constituent service enjoyed by Hawaii's 2nd Congressional District offices. I will work tirelessly to bring to Hawaii the resources we need to live better in the 21st Century. I vow you that you will be as proud of me as I will be to serve you in the United States Congress.

I am fifty-one years of age and have been married to the former Gilia Iafolla for over 27 years. If you desire additional information regarding my general background, leadership qualifications/experience or my thoughts on topics of special interest to you, kindly contact me at Rethman_for_Congress@hotmail.com.
